

01 BRAND ESSENCE

Where disciplined traders **read the market** — and act on it.

PRECISION · CLARITY · CONVICTION

A premium forex education and signals brand. Institutional in feel, mentor-driven in spirit. We trade the London and New York sessions — and we teach others to do the same with discipline, not noise.

02 COLOR SYSTEM

PRIMARY

Obsidian

#000000

RGB 0 · 0 · 0

Default background. The brand operates in the dark.

ACCENT

Signal Orange

#FF5A1F

RGB 255 · 90 · 31

Hero accent. Use sparingly — for emphasis, CTAs, the "FX" mark.

SURFACE

Charcoal

#141414

RGB 20 · 20 · 20

Section backgrounds. Adds depth without leaving the dark.

CARD

Graphite

#1F1F1F

RGB 31 · 31 · 31

Cards, panels, signal blocks. One step elevated.

TEXT

Pearl

#F5F5F5

RGB 245 · 245 · 245

Primary text on dark. Softer than pure white — easier on the eye.

MUTED

Cool Gray

#9CA3AF

RGB 156 · 163 · 175

Secondary text, captions, fine print, disclosures.

04 LOGO USAGE

DO

- Use on black, charcoal, or graphite backgrounds
- Maintain clear space equal to height of "M" in MAKERS
- Keep the orange swoosh through the FX intact
- Minimum width: 120px digital · 1.0in print

DON'T

- Place on busy photography or competing color
- Recolor the orange — it is the brand
- Stretch, skew, rotate, or add drop-shadows
- Re-typeset the wordmark in another font

05 VOICE & TONE

01

Composed

Calm under pressure. We don't shout to be heard.

02

Precise

Numbers and rules over hype and gut feel.

03

Mentoring

We teach the why behind the trade — not just the call.

04

Selective

Three to five high-conviction signals a day. No filler.

06 VISUAL MOTIFS

The Orange Swoosh

Signature curve. Used as a divider, accent line, or section transition. Always single-stroke, always orange.

Currency Tokens

Round chips alternating orange / pearl. Use to denote pairs, markets, or session focus. From the logo system.

LDN · NY · 03-05/DAY

Session Grid

Vertical-rule pattern referencing chart timeframes. Pairs with mono type for a trader-desk feel.
